CHANGING ROOMS & SHOWERING FACILITIES POLICY

It is the responsibility of the club coaching staff, team managers and club officials to ensure that the club changing room and showering policy is observed.

- Where possible, adult players do not change or shower at the same time using the same facility as juniors.
- Where only one changing facility is available, club coaching staff arrange for each group to have access to the changing facility at different times.
- Mixed gender teams have access the changing facility at different times.
- If juniors require supervision in the changing rooms, this is done by adults of the same gender as the players, working in pairs.
- Camera facilities on mobile phones must not be used in changing rooms
- If children are uncomfortable changing or showering at the Club, no pressure is be placed on them to do so. They are instead encouraged to change at home.
- Parents / legal guardians are informed of the club's policy on changing arrangements. This is done through the Club Policy booklet and the Club website.
