

WOOBURN NARKOVIANS CRICKET CLUB

Wooburn Park, Wooburn Green, Buckinghamshire

PHOTOGRAPHY AND VIDEO CAMERA POLICY

It is the responsibility of coaching staff to ensure that the club photography and video policy is observed.

- Photographs / images will not be taken at matches or training, or used by the club, without the prior permission of the parents / guardians of the children. This will be sought through the junior membership form. Permission can be given by proxy by the coach only after parental consent has been granted.
- The children will be informed that a person will be taking photographs / video.
- The children will be informed that if they have concerns they can report these to the coach or the team manager.
- Concerns regarding inappropriate or intrusive photography should be reported to the Club Welfare Officer, and recorded in the same manner as any other child protection concern.
- The Club will ask for parental permission to use their child's image (e.g. on the club website or in promotional material), and wherever possible show the image to the parents / guardians and child in advance. This is to ensure that the child and their parents / guardians are aware of how the image will be used to represent Cricket and the Club.
- The Club will avoid publishing the names of cricketers shown in photographs without the explicit permission of the child and his / her parents / guardians.
- Only images of children in appropriate kit (practice or competition) can be used to reduce the risk of inappropriate use, and to provide positive images of the children.
